## 1.3.3 Internships in Programmes

1. Title of the Activity : Internships in programmes
2. Organizing Department : Economics
3. Name of the Organizer : Dr. B. Vijaykumar,
4. Activity Conducted for : III Year B.A Students
5. Date : 05/07/2023 to 08/08/2023
6. Resource Person : Sreenivasulu Reddy
7. Collaborator :
8. No. of Beneficiaries : Students: 10 Faculty: 1

### Brief Description with Outcomes:

The activity "Internships in Programmes" was organized by Dr. B. Vijaykumar, Lecturer at Government College for Men (A), Kadapa. The organizing department was Economics, and the target audience comprised B.A students in their third year of study. The activity, conducted offline, aimed to provide interns with a basic understanding of computer software and develop baseline computer skills. It took place from 05/07/2023 to 08/08/2023, aligning with the academic year 2023-2024.

The collaboration for this college-level initiative involved the Sir C.V Raman Science Club, Kadapa, with an MOU established in December 2020. Sreenivasulu Reddy served as the resource person for the program. The activity saw the participation of 10 students and 1 faculty member. The total participants for the "Internships in Programmes" activity were 11.

Special acknowledgment goes to Principal Dr. G. Ravindranath for his support in executing the activity.

Key outcomes of the program include enhanced computer skills and a foundational understanding of computer software among the participating students, contributing to their academic and professional development.

**Brief Description with Outcomes:**

The activity "Internships in Programmes" at Government College for Men (A), Kadapa, was organized by Dr. B. Vijaykumar, a lecturer in the Economics department. It targeted B.A students in their third year of study and took place offline on 11/06/2023. The academic year for the activity was 2023-2024.

The college-level initiative collaborated with Venkatramudu and aimed to provide 8 students and 1 faculty member with insights into major concepts, perspectives, historical trends, and empirical findings relevant to the field of psychology. The resource person, Venkatramudu, played a crucial role in facilitating the program.

Acknowledging the support of Principal Dr. G. Ravindranath, the activity successfully executed its goals. The participants gained a deeper understanding of psychology, fostering their academic growth and contributing to their overall knowledge base.

### Brief Description with Outcomes:

Python is used in many application domains. Here's a sampling.

The Python Package Index lists thousands of third party modules for Python.

Web and Internet Development

Python offers many choices for web development:

Frameworks such as Django and Pyramid.

Micro-frameworks such as Flask and Bottle.

Advanced content management systems such as Plone and django CMS.

Python's standard library supports many Internet protocols:

HTML and XML

JSON

E-mail processing.

Support for FTP, IMAP, and other Internet protocols.

Easy-to-use socket interface.

And the ~~Package Index~~ has yet more libraries:

### Organizer

Requests, a powerful HTTP client library.

Beautiful Soup, an HTML parser that can handle all sorts of oddball HTML.

**Brief Description with Outcomes:**

K. Narayana Rao, a Lecturer in the Chemistry department at Government College for Men (A), Kadapa, facilitated an internship program titled "Internships in Programmes" for third-year B.Sc B.Z.C students during the academic year 2022-2023. The initiative, focused on "Healthcare Hygiene and Housekeeping Aide," was conducted offline from 3rd April 2023 to 15th July 2023 at the college level.

Acknowledging the essential support of Principal Dr. G. Ravindranath, the internship aimed to provide practical exposure to students in the healthcare and housekeeping domain. The collaboration with PMKK, Kadapa, ensured a comprehensive learning experience, aligning with the college's commitment to enhancing students' practical skills.

The key outcome of the internship program was the active participation of 11 students and 1 faculty member, contributing to their understanding of healthcare hygiene and housekeeping. This hands-on experience not only enriched the students' skill set but also fostered a sense of professional competence. Principal Dr. G. Ravindranath's support played a crucial role in the success of this college-level initiative, reinforcing the institution's dedication to providing holistic and practical education at Government College for Men (A), Kadapa.

### Brief Description with Outcomes:

K. Narayana Rao, a Lecturer in the Chemistry department at Government College for Men (A), Kadapa, orchestrated an internship program titled "Internships in Programmes" for third-year B.Sc B.Z.C students during the academic year 2022-2023. The event, focusing on hands-on learning experiences, specifically centered around "Windows and Doors Making," took place offline from 20th to 23rd October 2022 at the college level.

Acknowledging the support of Principal Dr. G. Ravindranath, the internship initiative aimed to provide practical exposure to students in the field of carpentry and construction. The collaborative effort with Achuta Building Solutions, Kadapa, facilitated a comprehensive learning environment, aligning with the college's commitment to enhancing students' real-world skills.

The key outcome of the internship program was the active participation of 11 students and 1 faculty member in acquiring practical skills related to windows and doors making. This hands-on experience not only enriched the students' understanding of the subject but also fostered a sense of industry relevance. Principal Dr. G. Ravindranath's support played a crucial role in the success of this college-level initiative, reinforcing the institution's dedication to providing holistic and practical education at Government College for Men (A), Kadapa.

### Brief Description with Outcomes:

. Radhika, a Lecturer in the Commerce department at Government College for Men (A), Kadapa, organized the "Internships in Programmes" activity for UG students, specifically targeting B.Com General students in their third year. This offline program, held on July 11, 2023, at the college level, aimed to provide short-term internship opportunities with a focus on monitoring. The event received collaboration from the Innovation Cell, GCM(A), Kadapa.

We extend our gratitude to Principal Dr. G. Ravindranath for the invaluable support in executing the Internships in Programmes initiative. The activity witnessed the active participation of 18 students, creating a dynamic learning environment. Students engaged in practical experiences related to their academic curriculum, gaining real-world insights and skills through the internship program.

## 1.3.3 Internships in Programmes

- Title of the Activity : Internship
- Organizing Department : Chemistry
- Name of the Organizer : B. Rajeswari
- Activity Conducted for : II Year B.Sc Students
- Date : 28/06/2023
- Resource Person : Smt B.Rajeswari
- Collaborator :
- No. of Beneficiaries : Students: 10 Faculty: 1

### Brief Description with Outcomes:

B. Rajeswari, a dedicated Lecturer in the Chemistry department at Government College for Men (A), Kadapa, organized a valuable college-level initiative named "Internships in Programmes." This internship program was tailored for B.Sc students in their second year, specifically targeting the II Year B.Sc students. The offline internship took place from June 28, 2023, to August 5, 2023, within the academic year 2023-2024.

The Internship Cell collaborated effectively in organizing the program, contributing to its success. Smt B. Rajeswari, as the resource person, played a crucial role in guiding and supervising all IV semester BCH students allotted for the internship. The support from Principal Dr. G. Ravindranath was instrumental in ensuring the smooth execution of this college-level initiative, fostering practical learning experiences for students.

The key outcomes of the "Internships in Programmes" align with its title and objective. The internship, conducted in collaboration with Maverick IT Solutions, provided students with exposure to computer science basics, including MS Office and Excel. Notably, the internship significantly improved students' communication skills, problem-solving abilities, team spirit, and time management skills. The participation of 10 students and 1 faculty member underscores the success of this initiative in enhancing the overall learning experience at Government College for Men (A), Kadapa. Principal Dr. G. Ravindranath's support underscores the institution's commitment to providing practical and enriching opportunities for student development.

**Brief Description with Outcomes:**

K. Narayana Rao, a Lecturer in the Chemistry department at Government College for Men (A), Kadapa, spearheaded an initiative tailored for second-year B.Sc B.Z.C students. The activity, aptly named "Save Soil - Save Earth," was conducted offline as part of the Internships in Programmes, falling under the category 1.3.3. The event took place at the college level on 07/03/2022, aligning with the academic year 2021-2022.

The execution of this activity was made possible through the invaluable support of Principal Dr. G. Ravindranath, whose guidance significantly contributed to the success of the initiative. Although specific participant numbers were not provided, the collaboration engaged students at the college level.

The primary aim of "Save Soil - Save Earth" was to raise awareness about soil conservation, emphasizing its critical role in preserving our planet. The brief description emphasized the importance of safeguarding soil for the well-being of the environment. The anticipated outcomes include increased environmental consciousness among students, fostering a sense of responsibility for sustainable practices. The hands-on experience gained through internships is expected to enhance students' practical knowledge and contribute to their holistic education.

**Brief Description with Outcomes:**

Dr. T. Venkateswarlu, a Lecturer in the Sanskrit department at Government College for Men (A), Kadapa, organized an internship program titled "SIP" for second-year undergraduate students during the academic year 2022-2023. The event took place offline at the college level, from 5th to 20th May 2023. The organizing department was Sanskrit, and the target audience comprised second-year undergraduate students.

Principal Dr. G. Ravindranath's support was crucial in the successful execution of the internship program. The collaboration involved 17 student participants and 1 faculty participant, enhancing the experiential learning opportunities for the students.

The key outcomes of the SIP included providing students with practical exposure and hands-on experience in relevant programs. The internship program aimed to bridge the gap between theoretical knowledge and practical application, preparing students for future academic and professional endeavors. Principal Dr. G. Ravindranath's support played a pivotal role in ensuring the success of this initiative, reinforcing the commitment to holistic education at Government College for Men (A), Kadapa.

## 1.3.3 Internships in Programmes

1. Title of the Activity : **Internship**
2. Organizing Department : **Chemistry**
3. Name of the Organizer : **B. Rajeswari**
4. Activity Conducted for : **II Year B.Sc Students**
5. Date : **28/06/2023**
6. Resource Person : **Smt B.Rajeswari**
7. Collaborator :
8. No. of Beneficiaries : **Students: 10 Faculty: 1**

### Brief Description with Outcomes:

B. Rajeswari, a dedicated Lecturer in the Chemistry department at Government College for Men (A), Kadapa, organized a valuable college-level initiative named "Internships in Programmes." This internship program was tailored for B.Sc students in their second year, specifically targeting the II Year B.Sc students. The offline internship took place from June 28, 2023, to August 5, 2023, within the academic year 2023-2024.

The Internship Cell collaborated effectively in organizing the program, contributing to its success. Smt B. Rajeswari, as the resource person, played a crucial role in guiding and supervising all IV semester BCH students allotted for the internship. The support from Principal Dr. G. Ravindranath was instrumental in ensuring the smooth execution of this college-level initiative, fostering practical learning experiences for students.

The key outcomes of the "Internships in Programmes" align with its title and objective. The internship, conducted in collaboration with Maverick IT Solutions, provided students with exposure to computer science basics, including MS Office and Excel. Notably, the internship significantly improved students' communication skills, problem-solving abilities, team spirit, and time management skills. The participation of 10 students and 1 faculty member underscores the success of this initiative in enhancing the overall learning experience at Government College for Men (A), Kadapa. Principal Dr. G. Ravindranath's support underscores the institution's commitment to providing practical and enriching opportunities for student development.

7. Collaborator :
8. No. of Beneficiaries : **Students: 11 Faculty: 1**

**Brief Description with Outcomes:**

K. Narayana Rao, a Lecturer in the Chemistry department at Government College for Men (A), Kadapa, orchestrated an internship program titled "Internships in Programmes" for third-year B.Sc B.Z.C students during the academic year 2022-2023. The event, focusing on hands-on learning experiences, specifically centered around "Windows and Doors Making," took place offline from 20th to 23rd October 2022 at the college level.

Acknowledging the support of Principal Dr. G. Ravindranath, the internship initiative aimed to provide practical exposure to students in the field of carpentry and construction. The collaborative effort with Achuta Building Solutions, Kadapa, facilitated a comprehensive learning environment, aligning with the college's commitment to enhancing students' real-world skills.

The key outcome of the internship program was the active participation of 11 students and 1 faculty member in acquiring practical skills related to windows and doors making. This hands-on experience not only enriched the students' understanding of the subject but also fostered a sense of industry relevance. Principal Dr. G. Ravindranath's support played a crucial role in the success of this college-level initiative, reinforcing the institution's dedication to providing holistic and practical education at Government College for Men (A), Kadapa.

### Brief Description with Outcomes:

Dr. B. Vijaykumar, a Lecturer in the Economics department at Government College for Men (A), Kadapa, spearheaded a community service project titled "Awarnees of Community Service Projects." This initiative was tailored for third-year B.A students and conducted offline at the college level on June 15, 2022, during the academic year 2022-2023. The project aimed to instill an understanding of community service among the students.

Acknowledging the significant support of Principal Dr. G. Ravindranath, the activity brought together 40 students and 2 faculty members. Dr. B. Vijaykumar, serving as both the organizer and resource person, guided the participants in comprehending the essence of community service projects.

The key outcomes of the activity included heightened awareness among students regarding the importance and impact of community service. The engagement in this project fostered a sense of social responsibility and empathy among the participants. Through hands-on experiences, students gained valuable insights into contributing positively to their communities, aligning with the overarching goal of the community service initiative.

### Brief Description with Outcomes:

K. Narayana Rao, a lecturer in the Chemistry department at Government College for Men (A), Kadapa, organized the "Community Service Projects" targeting third-year B.Sc B.Z.C students. The offline activity, focused on healthcare hygiene and housekeeping aid, took place on 11/11/2023, aligning with the academic year 2023-2024.

The successful execution of the project was made possible with the valuable support of Principal Dr. G. Ravindranath. The collaboration involved PMKK, Kadapa, enhancing the impact and reach of the community service initiative.

A total of 11 students and 1 faculty member actively participated in the community service project. The initiative aimed to promote healthcare hygiene practices and provide housekeeping aid to the community. The outcomes include a positive impact on the health and well-being of the community members, increased awareness about hygiene practices, and a sense of social responsibility among the participants. The collaborative effort aligns with the college's commitment to community service and holistic education.

**Brief Description with Outcomes:**

Dr. B. Vijaykumar, a Lecturer in the Economics department at Government College for Men (A), Kadapa, orchestrated a seminar targeting second-year B.A. students. The project, titled "Community Service Projects," specifically emphasized a "seminar on community service project." This offline seminar, conducted at the college level on November 18, 2022, during the academic year 2021-2022, received crucial support from Principal Dr. G. Ravindranath.

Collaborating with 20 student participants and 2 faculty participants, the seminar aimed to deepen the participants' understanding of community service initiatives. The brief description highlighted the seminar's objective, focusing on fostering awareness and comprehension of community service projects among the attendees.

The key outcome of this seminar was the active engagement of students and faculty in discussions related to community service, promoting a sense of responsibility towards societal welfare. Dr. B. Vijaykumar's role as the organizer showcased the department's commitment to holistic education. The support from Principal Dr. G. Ravindranath played a pivotal role in ensuring the success of this seminar, aligning with the college's dedication to community-oriented learning. This initiative not only facilitated knowledge-sharing but also encouraged a spirit of social responsibility among the college community.

8. No. of Beneficiaries : Students: 12 Faculty: 2

### Brief Description with Outcomes:

Dr. C. Nageswara Raju, a lecturer in the Physics department at Government College for Men (A) in Kadapa, organized an online awareness program on Community Service Projects for undergraduate students. This initiative, conducted on 4th June 2022, aimed at providing valuable insights into community service projects as per the Continuous and Comprehensive Evaluation (CCE) guidelines. The session, attended by 12 students, facilitated discussions and clarified doubts to enhance the students' understanding and sensibility towards community projects. The Department of Physics appreciates the support of Principal Dr. G. Ravindranath in executing this activity, reinforcing the college's commitment to holistic education.

The key outcomes of the awareness program were reflected in the increased understanding and engagement of students with community service projects. By addressing doubts and fostering clarity, the initiative contributed to a more meaningful approach to project work. The college acknowledges the role of Principal Dr. G. Ravindranath in supporting such endeavors, emphasizing the institution's dedication to promoting comprehensive and practical learning experiences for its students.

**Brief Description with Outcomes:**

The organizer of the Community Service Projects at Government College for Men (A), Kadapa, is P. Manju Bhargavi, a Lecturer in the Commerce department. The activity is designed for B.Com students in their first year of study and falls under metric 1.3.3. The project, focusing on "Awareness on Life Insurance Policy," was conducted offline from 23-05-2022 to 20-06-2022, during the academic year 2021-2022.

While there are no collaborators or resource person details provided, it is essential to acknowledge the support of Principal Dr. G. Ravindranath in successfully executing the Community Service Project.

8. No. of Beneficiaries : **Students: 11 Faculty: 1**

**Brief Description with Outcomes:**

I have appointed as community service project mentor for first BCH students. We selected theme for community service project is on "Save soil and Save earth". This project duration is 4 weeks or 100 hours and 100 marks will be awarded to the students for this work. For this project students have to go their Village people /ward people and ask them about our theme. Questionnaire will be given to the people and ask them to fill the questionnaire on our theme save soil in the first week. In the second week, they have to create awareness on our theme.

**Brief Description with Outcomes:**

Dr. B. Vijaykumar, a Lecturer in the Electronics department at Government College for Men (A), Kadapa, led a community-focused initiative aimed at second-year B.A. students. The project, titled "Community Service Projects," specifically emphasized a "community service project." This offline activity, conducted at the college level, transpired on September 30, 2022, during the academic year 2021-2022, with the invaluable support of Principal Dr. G. Ravindranath.

Collaborating with 35 student participants and 3 faculty participants, the community service project sought to deepen the students' understanding of community engagement. The brief description highlighted the project's objective to instill a sense of social responsibility among participants.

The key outcome of this community service project was the active involvement of students in activities contributing to the welfare of the community. Dr. B. Vijaykumar's role as the organizer showcased the department's commitment to fostering a spirit of service and social awareness among students. The support from Principal Dr. G. Ravindranath played a crucial role in ensuring the successful execution of this initiative, aligning with the college's dedication to holistic education. This project not only allowed students to actively participate in community service but also facilitated the development of a strong sense of social responsibility within the college community.

### Brief Description with Outcomes:

K. Siva Ram, a dedicated Lecturer at Government College for Men (A), Kadapa, initiated a community service project within the Economics department. This project, titled "Community Service Projects," was tailored for first-year B.A students. The offline activity, focusing on creating awareness about life insurance policies, took place at the college level on 30/05/2022, during the academic year 2021-2022. K. Siva Ram took on the role of both organizer and resource person for this impactful initiative.

We express our sincere appreciation to Principal Dr. G. Ravindranath for steadfastly supporting this community-focused endeavor. The community service project witnessed active participation from 17 students and 1 faculty member. The students, as part of their second-semester coursework, undertook the responsibility of creating awareness about life insurance in their localities, culminating in a comprehensive project report submission.

In conclusion, K. Siva Ram's leadership in executing the community service project reflects the Economics department's commitment to instilling a sense of social responsibility in students. The outcome, marked by enthusiastic student participation and an increased understanding of life insurance policies, signifies a positive contribution to both the students' learning experience and community well-being.

**Brief Description with Outcomes:**

Dr. T. Madhusudana, a lecturer in the Commerce department at Government College for Men (A), Kadapa, initiated a community service project focusing on creating awareness about the unemployment problem. The activity, conducted at the college level on August 5, 2023, engaged first-year students.

Acknowledging the support of Principal Dr. G. Ravindranath, the project aimed to instill a sense of social responsibility and impart practical skills. The collaboration involved 15 students and one faculty member.

Key outcomes of the community service project included enhancing students' understanding of conducting surveys and preparing reports. The initiative contributed to the development of essential skills and a heightened awareness of societal issues among the participants.

### Brief Description with Outcomes:

Mr. K. Sreenivasulu, a Lecturer in the Chemistry Department at Government College for Men (A), Kadapa, took the lead in organizing a community service project on soil erosion. This initiative was specifically designed for B.Sc students in their II Year and took place offline on January 20, 2022. The activity, categorized as a 1.3.3 Community Service Project, aimed to address soil erosion concerns.

The project saw the active involvement of 15 students, with 1 faculty member participating. Although no specific collaborators or resource persons were mentioned, the support of Principal Dr. G. Ravindranath was instrumental in the successful execution of the community service project during the academic year 2023-2024.

The "Community Service Projects" activity yielded positive outcomes, as students actively engaged in addressing soil erosion issues in their villages. This hands-on experience not only contributed to the betterment of the community but also enhanced the students' understanding of environmental challenges. The support and encouragement from Principal Dr. G. Ravindranath played a pivotal role in fostering a sense of responsibility and civic duty among the participants.

**1.3.3 Community Service Projects**

1. Title of the Activity : **Socioeconomic survey**
2. Organizing Department : **Mathematics**
3. Name of the Organizer : **Dr. D. Leelavardhani**
4. Activity Conducted for : **II Year B.Sc M.E.Cs**
5. Date : **15/05/2022 to 15/07/2022**
6. Resource Person :
7. Collaborator :
8. No. of Beneficiaries : **Students: 12 Faculty: 1**

**Brief Description with Outcomes:**

Dr. D. Leelavardhani, a dedicated Lecturer in the Mathematics department at Government College for Men (A), Kadapa, initiated a valuable Community Service Project for second-year B.Sc M.E.Cs students. The project, aptly titled "Socioeconomic Survey," was conducted offline during the academic year 2021-2022, from 15/05/2022 to 15/07/2022.

This community-focused endeavor aimed at contributing to society by conducting a comprehensive survey in C. Rajupalem village. The objective was to gather data and analyze general socioeconomic issues faced by the community. Dr. D. Leelavardhani's role as the organizer and resource person ensured the smooth execution of the project.

In the execution of this initiative, the unwavering support of Principal Dr. G. Ravindranath was pivotal. His encouragement and guidance facilitated the successful completion of the socioeconomic survey. The collaboration between the college and the local community showcased the institution's commitment to fostering a sense of social responsibility among its students.

The key outcomes of the "Socioeconomic Survey" include not only the acquisition of valuable data but also the cultivation of a sense of social awareness among the participating students. The survey, conducted with diligence and empathy, contributed to the holistic development of the students and their understanding of real-world challenges.

## 1.3.3 Field Projects by Students

1. Title of the Activity : **Field Visit**
2. Organizing Department : **History**
3. Name of the Organizer : **N. Sivaparvathi, Dr. M. Ramesh, E. Md. Gayas**
4. Activity Conducted for : **III Year UG Students**
5. Date : **29/03/2023**
6. Resource Person :
7. Collaborator :
8. No. of Beneficiaries : **Students: 78 Faculty: 3**

### Brief Description with Outcomes:

Led by History Department faculty, including N. Sivaparvathi, Dr. M. Ramesh, and E. Md. Gayas, the activity "Field Projects by Students" was organized for UG students in their third year at Government College for Men (A), Kadapa. The field visit, conducted offline at the college level on March 29, 2023, aimed to provide students with hands-on learning experiences. Acknowledging Principal Dr. G. Ravindranath's support, the activity was successfully executed during the 2022-2023 academic year.

The field project witnessed the active participation of 78 students and 3 faculty members. Briefly described as an opportunity for students to learn and acquire knowledge through observational field visits, the activity allowed participants to gain practical insights beyond traditional classroom learning.

This initiative resulted in positive outcomes, aligning with its title and objectives. The 78 students and 3 faculty members engaged in the field project experienced enhanced learning through direct observation and practical application of historical concepts. This approach fosters a more comprehensive understanding of the subject and contributes to the overall academic development of the participating students in their third year.

1. Title of the Activity : Industrial visit
2. Organizing Department : Commerce
3. Name of the Organizer : Dr. V. Krishna Veni
4. Activity Conducted for : III Year UG Students
5. Date : 17/09/2022
6. Resource Person :
7. Collaborator :
8. No. of Beneficiaries : Students: 80 Faculty: 5

**Brief Description with Outcomes:**

Dr. V. Krishna Veni, a Lecturer in the Commerce department at Government College for Men (A), Kadapa, organized the "Field Projects by Students" activity for third-year UG students. This industrial visit, conducted offline on September 17, 2022, at the college level, aimed to provide students with practical exposure. The event was supported by an MOU with Nandi Chemicals, Industrial Estate, Kadapa, established in 2018.

Principal Dr. G. Ravindranath's support was instrumental in the successful execution of the activity. The collaborative effort involved 80 students and 5 faculty members. The event allowed students to apply theoretical knowledge in a real-world setting, enhancing their understanding of industrial processes and fostering a bridge between academia and industry.

The key outcomes of the "Field Projects by Students" activity include improved practical skills, increased awareness of industrial operations, and the establishment of a valuable partnership with the collaborating industry. This initiative contributes to the overall academic and professional development of the students, aligning with the college's commitment to holistic education.
