Brief Description with Outcomes:

P. Radhika, a Lecturer and the organizer from the NSS (National Service Scheme) at Government College for Men (A), Kadapa, orchestrated an Extension Activity on Blood Donation. This offline program was conducted at the college level on 01-12-2022, during the academic year 2022-2023.

Principal Dr. G. Ravindranath's support played a pivotal role in the successful execution of this noble initiative, reflecting the college's commitment to social responsibility and community welfare. The blood donation drive involved UG students, and although specific numbers aren't provided, the collaboration with NSS, GCM(A), Kadapa, suggests a collective effort towards promoting a culture of giving back.

The brief description indicates that the activity was a blood donation program organized by NSS. The key outcomes of this Extension Activity on Blood Donation include the potential to save lives through the collected blood units. The support from Principal Dr. G. Ravindranath emphasizes the college's dedication to instilling values of compassion and community service among the student body, aligning with the broader goals of NSS and the institution.
