Brief Description with Outcomes:

Dept. of Zoology in association with NSS conducted Ozone Protection awareness rally on the occasion of World ozone day. Students and faculty members conducted rally with placards and slogans in the main roads of Kadapa via New Collectorate.

The ozone rally, a symbolic event promoting environmental awareness, gathered participants to advocate for ozone layer protection and climate action. Rally-goers marched through streets, carrying banners and raising awareness about the detrimental effects of ozone depletion. Through educational activities and public outreach, the rally emphasized the importance of reducing ozone-depleting substances and fostering sustainable practices. By mobilizing communities, the ozone rally aimed to inspire collective action towards preserving the Earth's ozone layer and mitigating climate change.
