**Brief Description with Outcomes:**

Our college hosted a state-level workshop on dairy technology, attracting experts and enthusiasts from across the region. The workshop delved into various aspects of dairy production, processing, and quality control, featuring interactive sessions and hands-on demonstrations. Participants gained valuable insights into modern dairy practices, emerging technologies, and industry trends. Through this initiative, our college fostered knowledge exchange and collaboration, empowering attendees with the skills and knowledge to excel in the dairy sector. Resource persons explained all the importance aspects in easy and understandable manner.
