Brief Description with Outcomes: Department of Zoology and NSS in Association with Health Department Conducted Covid Vaccination Drive for the Staff and students. About 45 members were vaccinated. Amid the COVID-19 pandemic, our college organized a vaccination drive for students and staff. Prioritizing safety, we collaborated with healthcare authorities to administer vaccines on-campus. The drive aimed to safeguard the college community against the virus, promoting herd immunity and enabling a safer learning and working environment. Through efficient organization and communication, we facilitated access to vaccines, contributing to the collective effort in combating the spread of COVID-19 within our institution.
