| 7. Collaborator | : RED RIBBAN CLUB | |
| 8. No. of Beneficiaries | : Students: 29 | Faculty: 18 |

Brief Description with Outcomes:

The Department of Zoology, in collaboration with the NSS and the Red Ribbon Club, successfully celebrated Blood Donors Day. During the event, the principal acknowledged the generosity of the donors by presenting them with mementoes.

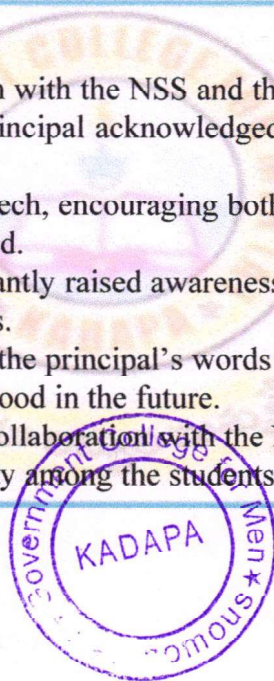

The principal also delivered an inspiring speech, encouraging both students and staff to actively participate in blood donation drives to support those in need.

1. Increased Awareness: The event significantly raised awareness among students about the importance of blood donation and its impact on saving lives.

2. Enhanced Participation: Encouraged by the principal's words and the recognition given to donors, more students expressed a willingness to donate blood in the future.

3. Community Service Engagement: The collaboration with the NSS and the Red Ribbon Club fostered a sense of community service and responsibility among the students.
