## **Brief Description with Outcomes:**

The NCC unit's voter awareness program held on January 25, 2020, served as a platform for Dr. R. Neelaiah, a lecturer in commerce, to emphasize the sanctity and significance of exercising one's right to vote.

Through Dr. Neelaiah's insights, the students gained a deeper understanding of the responsibility that comes with their franchise.

They learned that casting their vote isn't merely a civic duty but a powerful tool for shaping the leadership and direction of their state or nation.

By engaging in discussions about the role of voting in selecting leaders, the students were able to appreciate the direct impact their individual choices can have on the governance and future of their community and country.

This event likely encouraged them to approach their voting rights with a sense of purpose and commitment, understanding that their participation in the electoral process decisential for a better functioning democracy.
