Brief Description with Outcomes:

That sounds like a proactive and beneficial initiative by the NCC unit of the government college for men in Kadapa Raising awareness about seasonal diseases is crucial for promoting public health, and organizing a rally is an effective way to reach a wider viewers

It's great to hear that the students were actively involved and enlightened about the causes and impact of seasonal diseases on the community.

Such events not only educate but also empower individuals to take preventive measures and contribute to a healthier society.
