Sir,

Sub:- (R&B) Kadapa Rural Section- Plaque placed on R&B property without permission - Regarding.

@@@@@@@@

It is brought to your notice that R&B authorities have taken up development work in Arts College under DMF Funds.Under this ,compound wall with Arch,Athletic track,Drains and Toilet block is constructed for an Estimated amount of Rs.110.2 lakhs . But without informing R&B authorities someone has placed a plaque stone in their name on the Arch.As per the instructions of the District Collector,all the works sanctioned under DMF Grant should have a plaque stone placed stating the sanctioning department,executing department,Name of work,Est Amt,Name of the Officers etc.

Eventhough the user department is ultimately the college,but R&B Dept has still not handed over the work to College.Hence ,it is instructed to remove the plaque stone by 20.10.2023 or else the plaque will be removed by R&B authorities.
