Kadapa – Andhra Pradesh

MEMORANDUM OF UNDERSTANDING (MoU)
Department of Physics, Government College for Men (Autonomous), Kadapa
And
Department of Physics, Yogi Vemana University, Kadapa

1. Preamble

This Memorandum of Understanding (MoU) is entered into on this 16th day of June, 2025, between the Department of Physics, Government College for Men (Autonomous), Kadapa and the Department of Physics, Yogi Vemana University, Kadapa Both institutions acknowledge the importance of collaboration in higher education and research, and agree to work together to enhance academic excellence, practical knowledge, and research output in the field of Physics.

2. Objectives : The objectives of this MoU are:

- To promote academic and research collaboration between the two institutions.
- To provide students with enhanced hands-on and experimental learning opportunities.
- To facilitate sharing of knowledge, skills, and resources.
- To encourage joint research activities and publication of research papers.
- To strengthen industry-relevant and skill-based learning in Physics.

3. Scope of Collaboration : The areas of cooperation under this MoU shall include, but are not limited to:

a) Academic Exchange

- Exchange of faculty members for lectures, mentoring, and academic discussions.
- Sharing of curriculum design, innovative teaching methodologies, and best practices.

b) Laboratory and Hands-on Experience

- Providing access to advanced laboratory facilities for students and faculty.
- Organizing joint practical sessions, demonstrations, and training programs.
- Facilitating hands-on experience in specialized and advanced instrumentation.

c) Research Collaboration

- Undertaking joint research projects in emerging areas of Physics.
- Collaborative publication of research papers in peer-reviewed journals.
- Guidance and supervision of undergraduate and postgraduate student projects.
- Encouraging participation in funded research proposals.

d) Student Development

- Conducting workshops, internships, and skill development programs.
- Organizing science exhibitions, project expos, and innovation challenges.
- Facilitating student visits, study tours, and academic interactions.

e) Events and Knowledge Sharing

- Joint organization of seminars, conferences, and symposia.
- Guest lectures by eminent academicians and researchers.
- Sharing of research findings, academic materials, and technical expertise.

4. Roles and Responsibilities

Government College for Men (Autonomous), Kadapa:

- Coordinate student participation in collaborative activities.
- Provide support for joint academic programs and outreach activities.
- Encourage faculty involvement in research and knowledge exchange.

Yogi Vemana University, Kadapa:

- Provide access to advanced laboratories, research facilities, and expertise.
- Support collaborative research initiatives and publications.
- Facilitate training and exposure for students and faculty.

5. Duration of the MoU

This MoU shall be valid for a period of **Three (3) Years** from the date of signing. It may be renewed upon mutual consent of both parties.

6. Financial Provisions

- This MoU does not entail any direct financial obligations.
- Costs for specific collaborative activities shall be mutually decided and shared as agreed upon.
